## 1Kg 'Easi-Action' Multi-purpose Fire Extinguisher

DESCRIPTION

Multi-purpose fire extinguisher with one-handed operation and a fire fighting capability that is A-B-C rated (see ratings below) – ideal for use on most types of small domestic fires.

KEY FEATURES

- **'Easi-Action' mechanism** – convenient one-handed use
- **Pressure gauge** confirms that the extinguisher is fully charged and ready to use
- **8 second discharge duration** for increased fire fighting capability and added reassurance
- **8A 34B C fire rating** – safe for use on electrical fires
- **Easy to install** – mounting bracket included as standard

WHERE TO USE

This multi-purpose 1Kg extinguisher can be located anywhere in the home and is designed for use on small fires before they get out of control and without taking unnecessary risks to life. It can also be used in motor vehicles but is **not recommended for use on fat-pan fires**, where instead a Kidde Fire Blanket is recommended. This extinguisher is suitable for use on fires involving electrical voltages of up to 1000V – but damage may occur to equipment.

**Fire Ratings:**

- A** – wood, paper, textiles
- B** – petrol, oils and paints
- C** – flammable gases
