## 2Kg 'Easi-Action' Multi-purpose Fire Extinguisher

DESCRIPTION

Large capacity, multi-purpose fire extinguisher with one-handed operation and a fire fighting capability that is A-B-C rated (see ratings below) – ideal for use on most types of small- to medium-sized domestic fires.

KEY FEATURES

- **'Easi-Action' mechanism** – convenient one-handed use
- **Pressure gauge** confirms that the extinguisher is fully charged and ready to use
- **10 second discharge duration** for increased fire fighting capability and added reassurance
- **13A 89B C fire rating** – safe for use on electrical fires
- **Easy to install** – mounting bracket included as standard

WHERE TO USE

This multi-purpose 2Kg extinguisher can be located anywhere in the home and is designed for use on small to medium-sized fires before they get out of control and without taking unnecessary risks to life. It can also be used in motor vehicles but is **not recommended for use on fat-pan or kitchen fires**, where instead a Kidde Fire Blanket is recommended. This extinguisher is suitable for use on fires involving electrical voltages of up to 1000V – but damage may occur to equipment.

**Fire Ratings:**

- A** – wood, paper, textiles
- B** – petrol, oils and paints
- C** – flammable gases
